SCREAMING EAGLE BANDS
GROVELAND, FLORIDA

UNIFORM SPONSORSHIP PROGRAM

The South Lake High School Screaming Eagle Band Program is in desperate need of new uniforms. It is our goal to raise enough funds to purchase new uniforms by the end of this school year. Our current uniforms have been in use since the school opened in 1993, so they are now 15 years old. A typical life span of a band uniform is somewhere around 7 to 8 years. Our new uniforms are going to cost us around \$350.00 each. We need to purchase 120 new uniforms, and we are looking for individuals, families, and businesses to "Sponsor-a-Uniform."

Here's what that entails. First, you or your business donates in increments of \$350.00 to our new uniforms. For every \$350.00 donated we will sew an embroidered tag inside the uniform jacket of each uniform sponsored. That tag will remain there for the life of the uniform. If you own a business, we would happily put your business address and telephone number in the jacket, if you would like. Also, you or your business will be featured on the front page of our website as uniform sponsors for a period of two years. We can also list business addresses and telephone numbers with your business name. During each of our concerts, we will display inside the program a list of our uniform sponsors for a period of two years. We would also supply you with a certificate of sponsorship for you to display in your business or home. Mostly, what you will gain from giving to this cause is the respect and admiration of a large group of students and parents who are and will be a part of the South Lake High School Band Program (the largest parent lobby on our campus, and one of the largest in our community and growing). We would gladly endorse your business and encourage our families to patronize your business as well. We thank you for your support of the SLHS Screaming Eagle Bands.
